Job Search Tips

Networking -

Is the process of contacting people who can either give you information about potential job openings or introduce you to others who have this information. The ultimate goal of networking is to meet the person who has the authority to hire you for the job you want.

NYS Jobs Express

Browse thousands of local opportunities on the NYS Jobs Express website.

You can search by location, occupation, company name or travel distance by entering your zip code.

Job listings are updated daily, so bookmark the page and check back often.

Assistance For Veterans

Disabled Veterans' Outreach Program Specialists

Disabled Veterans' Outreach Program Specialists (DVOPs) are disabled veterans themselves. They provide intensive case management services to veterans with significant barriers to employment, special disabled and disabled veterans, and veterans ages 18 to 24.

DVOPs provide a full range of employment services including: comprehensive assessments, individual employment plans, job referrals, referrals to training and support services, and resume and interview preparation assistance.
