My Next Move for Veterans

My Next Move for Veterans is designed for U.S. veterans who are current job seekers. The interactive tool helps vets learn about their career options. The site has tasks, skills, salary information, job listings, and more for over 900 different careers. Veterans can find careers through keyword search; by browsing industries that employ different types of workers; or by discovering civilian careers that are similar to their job in the military. Veterans can also take advantage of the O*NET Interest Profiler, a tool that offers personalized career suggestions based on a person's interests and level of work experience.

My Next Move for Veterans is developed and maintained by the National Center for O*NET Development, under the sponsorship of the US Department of Labor.
