Register Now For Job Fair 2020

Fulton-Montgomery Community College, FMS Workforce Solutions System, and the Fulton and Montgomery Counties Regional Chamber of Commerce are partnering to host their annual Spring Job Fair. This event will be held in the Physical Education Building at Fulton-Montgomery Community College, Rt. 67, Johnstown on Thursday, April 23rd, 2020 from 12:30 to 3:00 p.m.

Don't Miss this Opportunity to Meet with Dozens of Qualified Applicants!

Job Fairs are an excellent way for employers to increase their applicant pools quickly, with qualified workers AND **at no charge to you!** The Job Fair brings the local workforce directly **to you.** You have the advantage of meeting candidates face-to-face, giving you a valuable first impression of your future employees.

If you are interested in attending this event, please register online at:

Virtual METRIX E-Learning Courses Offered By Workforce Career Centers

In this changing economy, skills, training, continuous education, and workforce preparation are key factors in maintaining a competitive edge to be globally competitive.

Your local Workforce Career Centers are offering E-Learning to the **unemployed, dislocated and employed workers** to better prepare them for this ever-changing workplace.

METRIX Learning is an online self-paced learning system designed for motivated individuals looking to refresh or upgrade their skills. Individuals can now register online and obtain A METRIX Learning license. This license allows a single user access to over 5,000 courses for a period of 180 days, 24 hours a day from any computer with an internet connection. The course library contains thousands of desktop computing, business, information technology and health-related topics from industry leading providers.

Businesses are taking advantage of this opportunity to assist their workers in upgrading their skills and **NOW IT IS EVEN EASIER!** Your employees no longer need to come into the office to register for courses...**they can now register online!** Some of the courses completed in the past seven years are MS Excel, MS Outlook, MS PowerPoint, Food Safety, Accounts Payable and Receivable, HIPAA Privacy Rules, Medical Coding, Sexual Harassment in the Workplace, Communication, American with Disabilities Act (ADA), Cisco 1.0, CompTIA Network+ 2009, and Business Writing. There are over 5000 courses to choose from. 2000+ courses have been completed by 413 customers in Fulton, Montgomery and Schoharie counties.

There is no charge to the business, employees, or jobseekers for the courses through the local Centers.

Contact your local Workforce Career Center for more information on METRIX E-Learning!
