Incentives To Help YOUR Business Cut New Hire Training Costs!

Your Workforce Solutions Centers have funding that can help cut your training costs in half when you hire workers who have left their previous employment for any of the following reasons:

- They have been laid off from their previous job as a result of a COVID quarantine,
- They missed work to care for a family member due to COVID,
- They are unable to return to their regular job because they are unable to follow social distance requirements,
- They were laid off after a business closure related to COVID,
- They were unable to return to their self-employment due to COVID.

How Can You Save \$?

Workforce Solutions can reimburse YOUR company 50% of your new hire's gross wages while you are training them in their new job. Reimbursement can total up to \$4000 per hire!!

Contact your local Business Services Representative today to find out how you can start saving.
